

**“Come and See, Go and Tell!” - John 20:1-18**

Sometimes pain and despair in our life alters our vision. From time to time it’s hard to see Jesus, even when He’s right beside us because we’re focusing elsewhere. That’s the story of Mary Magdalene, and that’s part of our story, but because of Jesus, it’s not the final story. From John 20:1-18, we discover what turned Mary’s pain and despair into joy that first Easter morning. It all started when she heard Jesus call her name, can you hear Him calling your name?

**We can identify with her \_\_\_\_\_.**

**We can identify with her \_\_\_\_\_.**

**We need to identify with Jesus’ \_\_\_\_\_ to her.**

- Jesus responds to her with a word of \_\_\_\_\_.
- Jesus responds to her with a word of \_\_\_\_\_.
- Jesus responds to her with a word of \_\_\_\_\_.

The Easter message is this, **come** into the presence of God, **see** what God has done and then **go** into the world and **tell** others!
